

NEW!

Combination Clamps

One Clamp Fits Two Sizes of Pipe

Save time and money with Water-Tite's new Combination Clamps. Each new clamp will fit two different size pipes, so you'll have more convenience and reduced inventory. These new clamps are available as Half, 2-hole, Suspension, Insulator and an all-new Suspension/Insulator Clamp.

- **Each clamp fits two sizes of pipe**
- **Fits CTS copper, CPVC and PEX tubing**
- **Combination Half Clamp with pre-loaded nail**
 - **Reduces installation time**
 - **Includes angled seat for additional stability with larger pipe sizes**
- **Job costs are reduced through reduced inventory**
