

END USER LICENSE AGREEMENT

This License Agreement is between You (“You”, “Your” or “End-User”) and Watertite Products, Inc., a California corporation with its principal place of business at 455 W. Victoria Street, Compton, CA 90220 (“Licensor”).

By downloading the PumpSpy® software application (“Licensed Application”) from Apple's software distribution platform ("App Store") or Google's software distribution platform ("Play Store" and together with App Store, the “Services”), YOU AGREE THAT YOU HAVE READ AND ACCEPT THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT. IF YOU DO NOT ACCEPT THEM, DO NOT USE THE LICENSED APPLICATION. This License Agreement also applies to any updates to the Licensed Application.

The Licensed Application is to be used on devices that operate with Apple's operating systems ("iOS" and "Mac OS") or Google's operating system ("Android"). This License Agreement incorporate by reference the latest Apple Media Services Terms and Conditions and Google Play Terms of Service ("Usage Rules").

1. THE LICENSED APPLICATION

The Licensed Application is a piece of software created to remotely monitor connected pumps and alert homeowners to issues that may arise – and is customized for iOS and Android mobile devices ("Devices"). It is used to view connected pump data, status, and alerts. Furthermore, it is used to view the relative humidity and temperature of the installation area for select device types. The Licensed Application is not tailored to comply with industry-specific regulations (Health Insurance Portability and Accountability Act (HIPAA), Federal Information Security Management Act (FISMA), etc.), so if your interactions would be subjected to such laws, do not use this Licensed Application. You may not use the Licensed Application in a way that would violate the Gramm-Leach-Bliley Act (GLBA).

2. SCOPE OF LICENSE

You are given a non-transferable, non-exclusive, non-sublicensable, revocable license to install and use the Licensed Application on any Devices that You own or control and as permitted by the Usage Rules, with the exception that such Licensed Application may be accessed and used by other accounts associated with You via Family Sharing or volume purchasing.

This license will also govern any updates of the Licensed Application provided by Licensor that replace, repair, and/or supplement the first Licensed Application, unless a separate license is provided for such update, in which case the terms of that new license will govern.

You shall not, nor allow any other person to share or make the Licensed Application available to third parties (unless to the degree allowed by the Usage Rules, and with Licensor's prior written consent), sell, rent, lend, lease or otherwise redistribute the Licensed Application.

You shall not, nor allow any other person to reverse engineer, translate, disassemble, integrate, decompile, remove, modify, combine, create derivative works or updates of, adapt, or attempt to derive the source code of the Licensed Application, or any part thereof (except with Licensor's prior written consent which may be withheld for any or no reason).

You shall not, nor allow any other person to copy (except if expressly authorized by this License Agreement and the Usage Rules) or alter the Licensed Application or portions thereof. You may create and store copies only on devices that You own or control for backup but any such devices that contain a copy of the Licensed Application must comply with the terms of this License Agreement, the Usage Rules, and any other terms and conditions that apply to the device or software used. You shall not, nor allow any other person to remove any intellectual property notices. You acknowledge that no unauthorized third parties may gain access to these copies at any

time. If you sell your Devices to a third party, you must remove the Licensed Application from the Devices before doing so.

If You violate the obligations and scope of the Licensed Application, Licensor will seek to prosecute You to the fullest extent of the laws of the United States of America.

Licensor reserves the right to modify the terms and conditions of licensing.

Nothing in this License Agreement should be interpreted to restrict, modify or alter third-party terms and conditions that You have agreed to; however, any such third-party applications shall not restrict the terms and conditions of this License Agreement, including to the fullest extent of the law, disclaimers, limitations on, and exclusions of damages outlined herein.

If you are a direct competitor, and you access or use the Licensed Application for purposes of competitive benchmarking, analysis, or intelligence gathering, You waive as Licensor, its subsidiaries, and its affiliated companies (including prospectively) any competitive use, access, and benchmarking test restrictions in the terms governing your software and applications to the extent your terms of use are, or purport to be, more restrictive than Licensor's terms. If you do not waive any such purported restrictions in the terms governing your software and applications, You are not allowed to access or use this Licensed Application, and will not do so.

You acknowledge that it is Your responsibility to confirm and determine that the app end-user device on which You intend to use the Licensed Application satisfies the technical specifications mentioned above.

Licensor reserves the right to modify the technical specifications as it sees appropriate at any time.
